Soon after, bailouts to Greece (twice), Portugal, Irreland and Cyprus along with ongoing issues with Italy, Spain and France quickly turned public opinion against membership.

MOTHER'S Day was very difficult for me this year because it was the first one since my mum died tast year. Every day is hard, but Mother's Day was even worse - It was like a dagger in my heart.

Sut when you have lide a dagger in my neart. But when you have lide of your own you just have to get on with it, and having my little boy really cheered me up 1 got a lovely card and coffee and breakfast in bed which was lovely.

NICOLE Scherzinger (left) has been posing for more sexy pictures this week – and I know exactly why! It's pretty obvious she's trying to show her ex-bovic-end Lewis Hamilton he's mad to dump her!
The Formula One star must be k.cking himself when he looks at her latest snape – she's bloody gorgeous!

Knicker thief on the loose

POLICE are hunting for a 'bra bandit' who has stolen over £9,500 worth of Victoria's Secret underwear. The mystery suspect has shoplifted from the same branch of the lingerie chain FIVE times in the last year. There appears to be no clear CCTV footage to identify the underwear-loving criminal. In the letest heist, which took place last Saturday, the unknown man stole a dozen bras valued at £350. The crimes date back to March 2014 when the manager reported that £2,500 worth of clothing had gone missing from the shop in Wyoming, USA. The thefts have happened on a regular basis since then – and have left cops baffled.

#### Dear Kyla.

#### I'VE just got back from a really fantastic trip

round Australia.

Me and my girlfriend took a camper van and exhausted ourselves in the back of it – and in all sorts of secluded outdoor

sorts of secluded outdoor locations.

One week we met a lovely girl who'd got her own camper van and was parked in the some site as us.

We invited her into our van and we cooked a meal and got stuck into a good few beers before stretching out on the cosy beds.

During the night it can get quite cold in the Aussie outback and we all found ourselves cuddling together. My gir, started kissing her new friend and them aneakily reaching out to tickle my cock.

She stripped the girl naked and encouraged me to feel her lovely arse.

She then started slowly

licking and touching the babe's nipe while exposing her joyous fanny hips for my

pleasure.

I got stuck in to supping on her minge while my girl slowly fingered herself

She i.sked me to mount her and, as I got hold from behind, my girl spread her new pal's legs and had a munch on her fanny

#### Licked

When I was about to spunk, my girl must have sensed it She told me to pull out and shoot my load all over the girl's boobs. When I'd done it, she licked up every little bit. It was a really amazing experience and the air reeked of sex smells.

Pretty soon I was hard

nga.n and her pol gave me a b.owjob as my gir, used a rildo un herself and her horny friend.

The next day we found a quet stream at the edge of the site to clean ourselves up and the girls were soon both naked.

The "nestinble pair

The mastible pair invited me in between them again and a tit-wank from a coupe of eager pairs is something I'll never forget. We moved on that day but we got her home address and number. It turns out she was a student from Sydney on her Walkabout. We're planning on inviting her over here to Eng.and.

What do you think?

# **George to Crash into** bookies

Hove with open-rape action galore

Hold on to your hats I'm about to Nap a dog called Crasher George who in 17 starts is yet to acore. Have I gone mad?

i don't think so, I fancy him to run a huge race and i will tell you why. Those 17 starts have come at Crayford, a

track in my opinion that clearly does not bring out the best in him.

He can't win an A6 at Crayford but I'm tipping him to win an open race at Hove, the country's premier track.
You've heard of horses for courses well it's

It's all graded tonight and it looks very competitive.

#### MONMORE THURSDAY

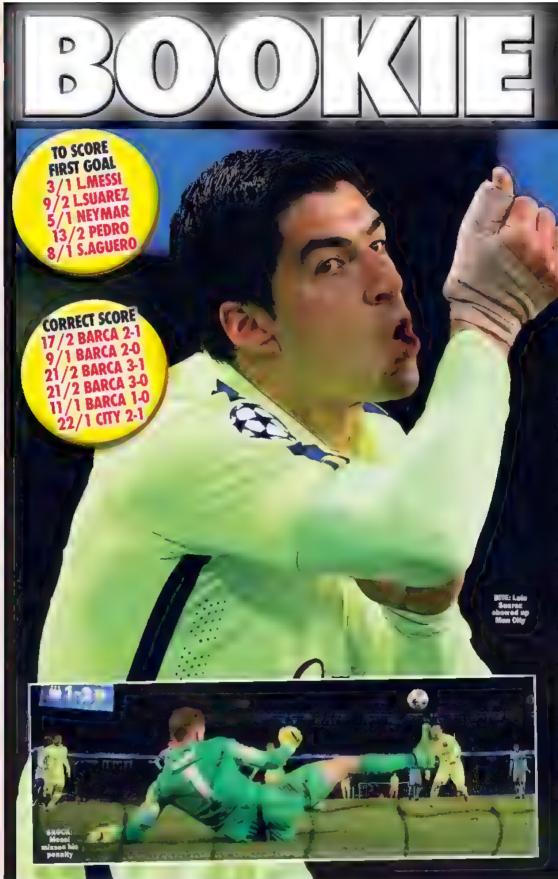

it's an all graded card but one I'm quite excited about.

Bog Stae goes in the last race of the night but I've a feeling it's going to be worth the wait.

He ran with huge credit in the recent Ladbrokes Spring Festival and dropping back in to graded company tonight should see the Paul Sallis star emerge victorious.

## WED.

IT'S going to be a real Barca battle for poor Man City in

battle for poor man usy as the Now Camp tonight.

Even at prices as big as 7/1 there is little to no point in backing the English champions to come away with the win they deaperately need.

The final score of 2-1 in the first log at Eastlands fails to tell anything like the story of the mutch

match

match
Barcelona were superior to
City, with Luis Suarez and
Lionel Mesai in particular giving

the home defence nightmares
Shares took his goals
beautifully and only Messi
incredibly missing a penalty late goals Mossi

on has given the Blues any chance whatsoever. So looking at the odds, it is difficult to find a decent ungue given that the home side are such overwhelming favourities.

The bookies are taking no chances at all in charking up 4/9 shout the home win That's with Betfred and is relatively generous given that some other layers have the same outcome at

If you think Pellegrini's boys can cause a bit of a scare and come away with a draw there is plenty of 4/1 on offer in the high

street.
It would help if City could

keep 11 men on the pitch as they have had a man sent off in each of their three recent clashes with

of their three recent clashes with Barca Gael Clichy kept up that unvasited tradition in the first leg and he'll be a big miss Form coming into the game could be better with the English champs suffering a shock, ng run on the road, with just one win in

on the road, with just one win in the r past five games. That suggests there is something very wrong either with the factice or the pars and on the patch— and it looks like both given the insipid display at Burnley at the weekend Maybe they saw the claret in

the home wides shirts and panicked — imagine how the haplass Demechelis will do against Mussi if he couldn't handle George Boyd and Danny Ings 80 looking for a betting angle

is tricky In the correct score market In the correct acore market it's easy to see the home adde putting three past City with the visitors getting one back So 3-1 to Burcelona looks the wisest bet in this market at 21/2 with BetVictor which is best value. If you fancy a real harmoring, the 4-0 and 4-1 home win are both an offer at 17/1 with the sume firm. Looking to the goalscorer to be supported by the sume firm.

Looking to the goalscorer betting, which one of Barcelona's galaxy of talent will hit the back of the net first?

Given his prowess in the first leg and love of making English sides look stupid, it has to be Sharr z at \$/2 with either Coral or Ladbrokes

The more obvious choice of Messi is biggest at 10/3 with William Hi.

If you really do believe in

William Hi.

If you really do believe in fartytales, you can back City to make it through to the semi final by any method at 10/1 while you can beat the building society by backing Barccona at 1/14 with Coral to qualify.

That's a slightly better than 7% return any your morey for 90.

6 return on your money for 90

Avolding relegation will be a big ask, but the Dutchman looks as well placed as any to do so, given he has more than 30 years of management experience.

He has won leages titles in his homeland with PSV Eindhoven, at Russian club Zenit St Petersburg and with Rangers, securing the league and cup double twice during his relign between 1998 and 2002.

This is Advocast's first role in English hootball, yet Sunderland chairman Ellis Short (above) is confident he has the right man.
